PRESS RELEASE: FEBRUARY 2009

Louise Griffith presents “Success is a Conscious Choice!” at the February 5th Professional Women’s Network (PWN) meeting. Ever wonder why your goals never quite turn into the reality you’d hoped for? If that’s what you are experiencing, there’s a good chance you may be sabotaging your own success – even though that’s not your intention. Join us to learn how to access your personal power, eliminate self-defeating behaviors, build on your strengths and tap into your passion to make 2009 your best year ever! Louise Griffith is an internationally-recognized speaker and author with over 20 years experience as a licensed psychologist.

PWN now meets at The Hudson House/Best Western in the Hearth Room. Registration and networking begin at 6:00. Guests are welcome – be sure to bring business cards! Professional Women’s Network – St. Croix Valley fosters the personal and professional efforts of area career women through an exchange of knowledge, ideas, resources, experiences and friendship. Together we can achieve more. Register for the meeting at www.pwnscv.com. For more information, contact Tina Bailey at 715 -441-1008.
