## PRESS RELEASE

“What We See Is What We Get” is the topic at the next Professional Women’s Network meeting on Thursday, February 7th.

Inspirational speaker, Paul Bernabei, will discuss that the results we get in life are largely influenced by how we see things our thoughts, beliefs and judgments. The discussion will focus on how we respond when we are not getting what we want to be getting, how to overcome blame and our need to be right by being curious and ways to see more and see differently. The meeting will be held at Citizens State Bank in Hudson (note that this is a change of venue). Registration is from 6:00 to 6:30 p.m. Guests are encouraged to come (be sure to bring business cards).
