PRESS RELEASE: MAY 2008

“Designing a Plan for Success” will be the topic at the next Professional Women’s Network (PWN) meeting on Thursday, May 1. Are you struggling in an area of your business or career? Maybe you want to increase your business, visibility or perhaps you’re having a conflict with a co-worker. In this highly interactive session, you’ll find strategies to overcome one of your challenges and get started on developing a plan designed to help you achieve your goal. The facilitator of the meeting will be Joan Runnheim Olson, M.S. She is founder of Pathways Career Success Strategies in Hudson, WI, with over 10 years of experience helping professionals, managers and executives take charge of their career.

Our meetings are held at Citizens State Bank in Hudson and registration is from 6:00 to 6:30 p.m. Guests are encouraged to come (make sure to bring business cards). For more information, go to our web site at www.pwnscv.com or call Cindy Jahnke at 715 386-5825.

PWN meetings are held the first Thursday of the month. PWN fosters the personal and professional efforts of career women through an exchange of knowledge, ideas, resources, experiences and friendship. Together we can achieve more.
