PRESS RELEASE: SEPTEMBER 2007

Professional Women's Network (PWN) is kicking off the beginning of their new year with a fantastic speaker and a fun night planned on Thursday, September 6. The speaker will be Dr. Al Snyder, and the topic "Steering the Entrepreneurial Spirit".

Dr. Snyder is a talented speaker and motivator, and he comes with a sincere interest and desire to help people achieve more in their lives. In leadership and training workshops, he helps people understand the close connection between one's attitude and one's ability to achieve. Through a close involvement with handicapped individuals, he understands first-hand that all people can accomplish more than they ever dreamed possible. He has performed at nearly 1000 engagements in 35 states around the United States, entertaining nearly a quarter million people. His sincerity and enthusiasm, combined with his ability to relate to any age group, make his sessions a hit with any audience.

There will be prizes, food, and more. Guests are welcome at no charge! PWN is also offering a discount for joining the organization on that night only. The event will be held at Westconsin Credit Union in Hudson (lower level). Registration is from 6:00 to 6:30 p.m.

Professional Women's Network fosters the personal and professional efforts of area career women through an exchange of knowledge, ideas, resources, experiences and friendship! "Together we can achieve more!"
